A Note From Ironwood Studios 5
Trip Records 6
Concept Art 18

To Our Future Breachers,

Thank you so much for your curiosity and passion. As indie developers, we know we would not be where we are today without you, and it's been incredible to see the community grow.

Pacific Drive is Ironwood Studios' first project and we're incredibly fortunate and proud to have been able to put a package like this together for the Deluxe Edition. We hope that it adds to your experience as you set off on your own journey, creating your own stories and exploring the mysteries of the Olympic Exclusion Zone.

From everyone who contributed to this game, thank you so much. It is the realization of all our hard work and we can't wait to hear about your road trips into the unknown.

-The Pacific Drive Team
